Writing a persuasive notice for a clean barangay

Learners write a short persuasive notice that asks neighbours to segregate waste, using reasons and a call to action.

Fictional placeholder made by the CherIt team for a hackathon demonstration.

What makes people act?

Look at two notices. Which one would make you follow it?

Persuasive writing = a clear request + reasons + a call to action.

Plan your notice

Who will read it?

What do you want them to do?

Give two reasons they will care about.

Write and share

Write a notice of 4 to 6 sentences.

Swap with a partner: is the request clear?

Revise one sentence to make it stronger.
